DRIVERS PARADISE

Atlanta Motorsports Park (AMP) is the first green, sustainable motorsports club of its kind, for high performance cars, motorcycles and karts. In addition to providing a driver's haven for its members and corporate guests.

AMP's main road circuit is a two mile long road course that was designed by Formula One track architect Herman Tilke. The track consists of 16 turns and 98 feet of elevation changes throughout the course. The audacious vision of Formula One architect, Herman Tilke, Atlanta Motorsports Park's two mile main road course was recently voted one of the Top 10 Tracks in North America by Road & Track Magazine. With its unparalleled elevation changes and technical layout, it sets a new standard for driving.

AMP also offers one of the most exciting venues for kart racing in the whole of the USA. Featuring the world's most extreme elevation changes and built to Formula One standard, Atlanta Motorsports Park provides kart racers of all ages and abilities with a forum for fun and learning that is second to none

Complementing the park's main road course, Atlanta Motorsports Park's Driver Development Center is the first of its kind in America. Complete with an on-site skid pad and ice hill, it provides the perfect test bed for honing your skills in both wet and dry conditions

GROUP OPTIONS

Offering the very best in thrills amongst sexy exotic cars and the south's only true Formula One style road course, AMP takes corporate events to a whole new level. Exclusive access to facilities and heart-pounding excitement create a unique experience that can make your meeting, product launch, retreat or team-building a rousing success.

AMP's ultimate Grand Prix Karting experience lets your group combine their skills, speed and strategy to win the top spot at the end of the day on the world's most unique kart circuit. While our exotic driving adventure is the only experience in Atlanta that puts you behind the wheel of some of the world's most lusted after cars in one single driving event.

If unique or out of the box is your thing, AMP also offers one of a kind corporate experiences not available anywhere else in the country.

Discover first hand how all those amazing stunts in the movies are executed on a course that puts you behind the wheel with real working stunt men to showcase jaw-dropping movie stunts.

Or spend a day with the team responsible for training some of the most highly trained covert and military operatives in the world and get a glimpse behind enemy lines. Understand what to do when faced with threatening situations such as a potential vehicular kidnapping or how to escape when you are pinned under a car. This unique event is only available at AMP.
